The shape of the day

Basilica area - Szabadság tér - Kossuth Lajos tér - optional Parliament interior - lunch - a short riverside walk. Allow roughly 5-7 hours including meals and pauses; about 3-5 km outdoors, depending on your river finish.

One useful commitment

If you book Parliament, build the day around that time. Otherwise, enjoy the exterior and keep the afternoon open. The shorter version ends after lunch near Parliament.

Choose the bath that fits.

Option	Decision notes
Széchenyi	Best fit for this City Park itinerary. Under-14s cannot visit. Confirm the selected admission, facilities and date.
Rudas	A different location and session structure. Turkish-bath access varies by day and time, including single-sex and mixed sessions. Under-14s cannot visit.
Gellért	Closed for renovation in this edition. Planned reopening in 2028; do not book around an assumed reopening date.
No bath	The full kit includes a non-bathing day. A bath is an optional experience, not a requirement for a worthwhile Budapest visit.

Locker or cabin? A locker stores belongings; a cabin gives a separate changing space. Compare the exact ticket inclusion rather than assuming every premium label adds the same benefit. Confirm sharing rules if booking for two.
